General Information for Candidates

Filing for Office:

Pursuant to [13-10-201](#), MCA, in a partisan election, an individual may not file a Declaration for Nomination or a Declaration of Intent for more than one political party. A candidate may not file for more than one public office. (This does not include precinct committeemen and committeewomen candidates.) Individuals cannot file for nonpartisan offices as independent candidates or as political party candidates.

Candidates who file with the Secretary of State (other than independent, non-qualified political party and write-in candidates) can file online at sos.mt.gov/Elections/File_for_Office.asp.

Filing Fees:

Under [13-10-202](#), MCA:

- (1) for offices having an annual salary of \$2,500 or less and candidates for the legislature, \$15;
- (2) for county offices having an annual salary of more than \$2,500, 0.5% of the total annual salary;
- (3) for other offices having an annual salary of more than \$2,500, 1% of the total annual salary;
- (4) for offices in which compensation is paid in fees, \$10;
- (5) for officers of political parties, presidential electors and officers who receive no salary or fees, no filing fee is required.

Write-in Candidates:

Pursuant to [13-15-206](#), MCA, a write-in vote may only be counted if the oval, box, or other designated voting area on the ballot is marked.

For a primary election, declared write-in candidates for partisan offices file as party candidates or as independents; for a general election write-in candidates do not file with a party or independent designation.

Under [13-10-211](#), MCA, if there are declared candidates for a position, a write-in candidate running for an office must file a Declaration of Intent and pay the filing fee at the time of filing, in order for the candidate's write-in votes to be counted. However, if an election is held and a write-in candidate is qualified for and seeks the office for which the candidate is written in, and no candidate has filed for the office (including any declared write-in candidate), a Declaration of Intent does not have to be filed for the write-in votes to be counted.

Under [13-10-204](#), MCA, in order to accept a primary nomination, a write-in nominee must file a written Declaration of Acceptance; have received at least 5% of the total votes cast for the successful candidate for the same office at the last general election; comply with [13-37-126](#), MCA; and have paid the filing fee at the time of filing, unless indigent under [13-10-203](#), MCA, or if exempt from filing under [13-10-211](#)(7), MCA (in which case the candidate shall pay the filing fee at the time of nomination).

Under [13-15-111](#), MCA, a write-in candidate who receives the most votes in a general election must file a written Declaration of Acceptance; comply with the provisions of [13-37-126](#), MCA; and pay the filing fee if not already required to have paid it at the time of filing, or if indigent comply with [13-10-203](#), MCA.
